

Villeurbanne 15.10.12

Impressions from
Hjoerring Public Library
Denmark

DANMARK

On the menu

- Presentation of the library: PP & short videos
- Focus on children, tweens & teens

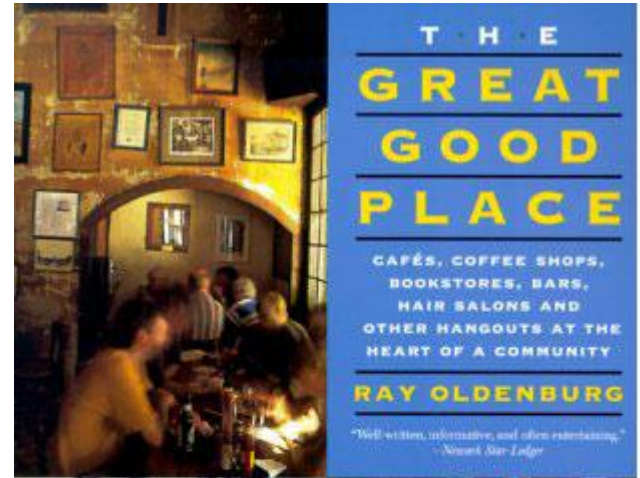

Two milk, one dress, a pillow and three books – “shopping” in the library and a library in a shopping centre.

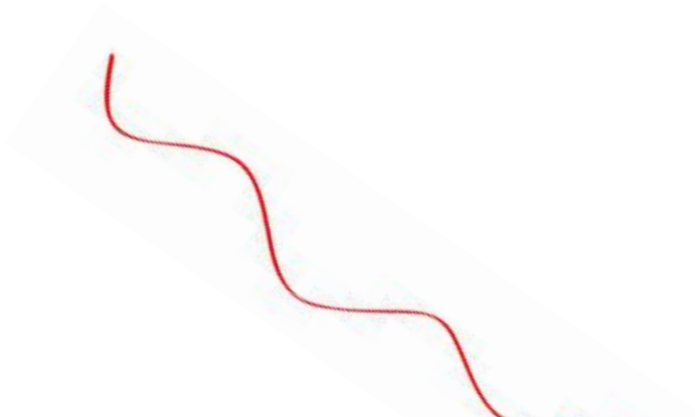

Rosan Bosch and Rune Fjord Jensen

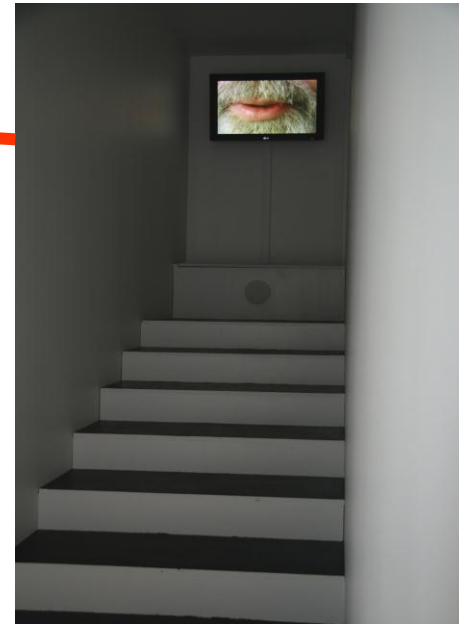

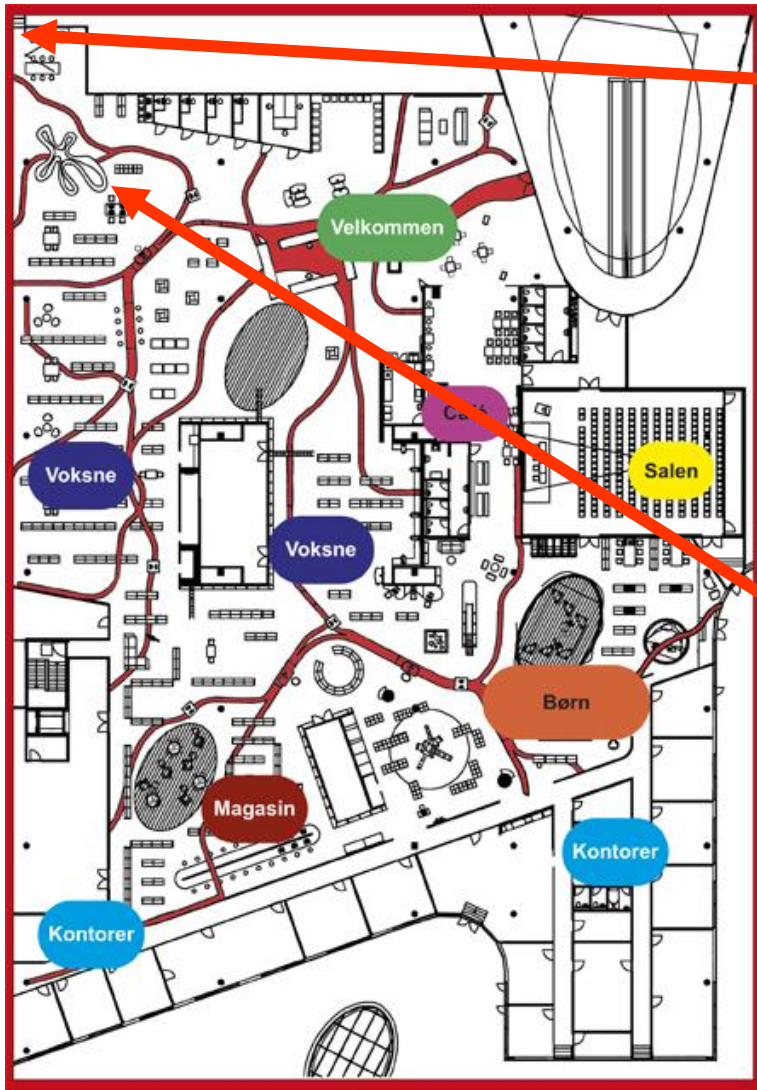

Thank you,
guys!

Visions

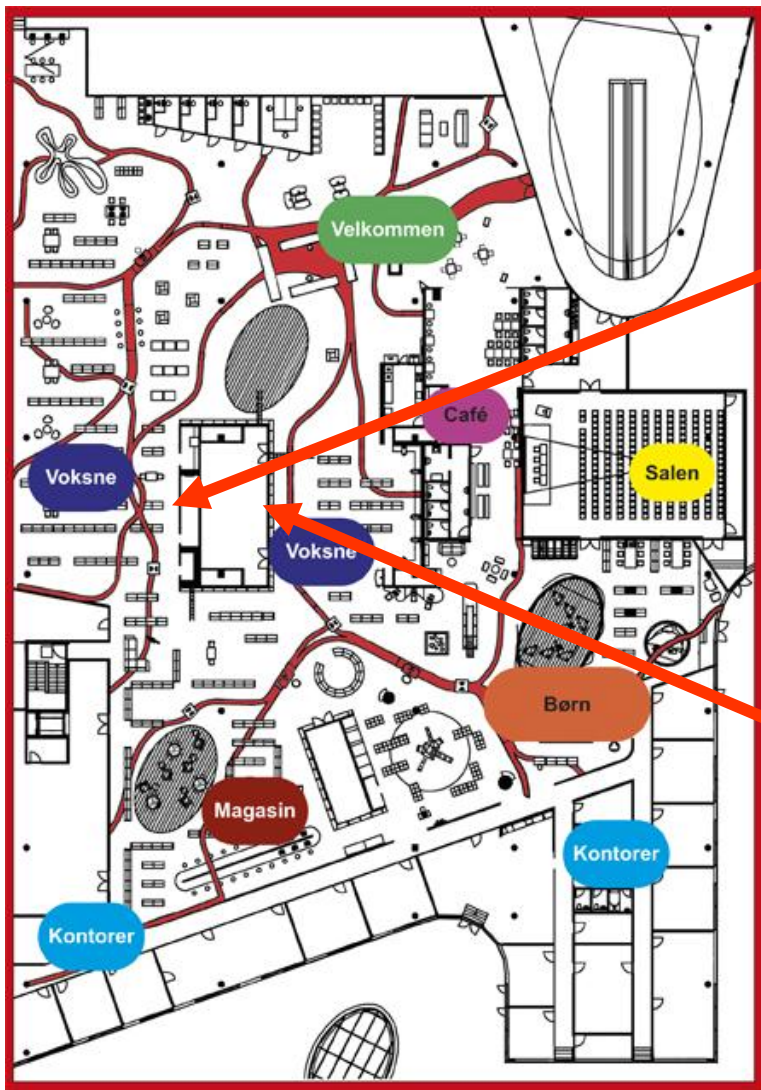

- Jan Gehl, architect, cityplanner, DK
- Ray Oldenburg, urban sociologist, USA

Aalborg University

Or...?

Future library services to children

Ten recommendations

Danish Agency for Libraries and Media, now: Danish Agency for Culture

2. The library space must surprise and inspire

Vision: A vibrating room which are attractive for children to be, learn and play in.

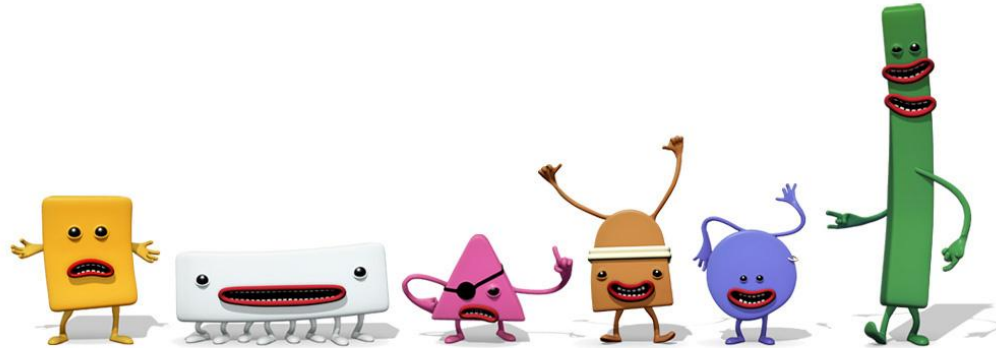

4. Children play – in the library

Vision: Create space for play, make toys and games available and advise on games and toys.

8. Recommendation: The library supports learning and cultural formation

CoOperation

TV: Ramasjang

Web: Pallesgavebod
